## LEGION DAY PROGRAM IN READINESS

## RIGHT-OF-WAY PROGRESS LAGS HERE

### WATER DEPARTMENT TO COLLECT SEWER TAX

Taxpayers in Cameron have but little if anything to look forward to in the town. Your City Council may be breaking out with the civic itch, so to speak, and the scratching has begun.

Look for a complete abandonment of your municipal airport and look for Mayor Green's sewer tax repeal plank of last February to be shifted over to the backs of those who rent property.

Collection of the sewer tax will be done by the Water Department hereafter. This tax amounts to around \$10,000 a year. Mayor Green was going to repeal it, he said, or as a reasonable substitute, he was going to order an election to vote on it.

Wot Hoppen? "The down-trodden masses," Mr. Green championed a year ago are going to get what you can see through them windsock hoops at the airport.

The council has not said, if it knows, what it plans to do with the \$100,000 sewer tax revenue it will get in the next ten years. The Junior Chamber of Commerce wants to lease the airport for \$1 a year. They want to build a fair ground and move the rodeo pens from the Wilson-Ledbetter Park. They don't want the saloon nor cafe but another source is angling for that as well as the airport facilities.

Planes cannot well land now. In the spring Daniel Boone would have all kinds of trouble getting the beer keg to a small clearing about the size of an ant bed where only a helicopter could land.

Enterprising taxpayers should retain counsel and enjoin the city from any such disposition of this property. It should be sold and the people reimbursed for the mulching they took on this plundering enterprise.

A delegation of firemen wants to build a new station. They want to locate it on deep South Houston adjoining the present building. The council voted to ask an architect to look into the matter. For information to the firemen and the city council, plans and specifications were drawn in 1945 for a municipal building that would house all city activities.

This building would be something the city would be proud of but will probably never get. It could be paid out of salaries now being paid to the aldermen.

Mayor Green still wants to issue bonds to buy the right-of-way and none of the petitions showed up. The council set down for a special business meeting on next Tuesday November 14, to see if it can sell warrants. A number of companies will be present to bid on the warrants. Acquiring the right of way seems to be pretty far away since the city has not concluded any official agreement with any of the property owners.

### MILAM COUNTY YOUTHS REGISTER FOR DRAFT

Sixteen 18 year old men have registered for the draft during the Month of October according to Mrs. Loretta Brock, chief clerk at the Milam County Draft Board.

These men have been assigned their order numbers and upon attaining the age of 19 will be classified by the board and will then be subject to draft, according to the present law.

The men and their respective communities are as follows: Melvin Donald Woolverton, Caral Pairrett David and J. H. Myers of Milano; Albert Adolph Vrazel, Cameron Rt. 1; Walter Brown of Buckholts; John Richard Yates, Burlington Rt. 1; Charles Aden Dockall Ira Wanoreck, Lyngle Leroy Cardwell of Rockdale; Hubert Edmundson Jr. Cameron, Isiah Pittman, Maysfield; John Rice and Julio Munoz of Ben Arnold; Gordon Lee Currin, Gause and Billy Barkley Dav-enport of Rockdale.

## LIGHT VOTE BALLOTTED OVER COUNTY

### BOARDS GET FIRST CALL FOR DOCTORS

First call for examinations of physicians, dentists and veterinarians went to local Texas draft boards today.

State selective service headquarters announced the order in this category will involve 95 physicians, 42 dentists and 54 veterinarians. They will be examined Nov. 20, 21, 22 and 24.

All persons included in the call educated at government expense or will be of the first priority—personnel deferred to complete professional education during World War II who have had less than 90 days armed forces service since that time, state Director Paul L. Wakefield said.

Not all local boards will receive calls in this category. Some boards have no registrants of this type and some have classified none.

Examination of all Texas registrants in the category who are classified as available for service will be held before Dec. 15, Wakefield said. December examination dates have not been set.

Examinations will be given at Amarillo, Abilene, Corpus Christi, El Paso, Texarkana, San Antonio, Houston, Dallas and Shreveport, La.

Dr. Marvin Bartlett of Cameron, in a statement this morning said that he would not have to leave for service with the armed forces any time in the near future and since many doctors are volunteering, the quota may be reached without any of the local doctors being called into the service.

### Milam County PMA Committee Election Will Be Held Nov. 16

Milam County Community Committee election will be held on Thursday, November 16, 1950, at the polling places shown below. The polls will be open from 8:00 a. m. to 5:00 p. m.

Ballots have been mailed out for the convenience of those who are unable to go to the polls on that day. The ballot must be mailed to the County office so that it will be received by noon Wednesday, November 15.

Voting places for these Communities are:

Clarkson, Skupin's Store—Ben Arnold, Clarkson, Baileyville; Maysfield, Post Office—Jones Prairie, Maysfield, Branchville; Milano, Woodman Hall—Milano, Gause, Hanover; Rockdale, City Hall—Rockdale, Bushdale, Hamilton Chapel; Thorndale, Cop Gin—Thorndale, San Gabriel, Pleasant Hill; Sharp, School—Sharp, Davilla; Buckholts, Criswell's Cotton Office—Buckholts, Corinth, Sandy Ridge; Cameron, P M A County Office—Cameron, Yarrleton, Salem, Minerva, Marlow.

Voting by mail is permissible. A wife is also eligible to vote. Please show name, address and farm serial number, if known, on the envelope, as your name must be registered on the voting register before the vote can be counted.

If there are tenants or sharecroppers or other eligible voters on your farm we will be glad to furnish additional ballots, upon request.

If you cannot be at the Polling Place on November 16, 1950, vote by mail.

Each producer is entitled to one vote, and that is the community where the farm is located. Voting by proxy is not permissible.

### REVIVAL BEGINS

The Cameron Gospel Tabernacle began a revival Monday night, November 6 with Evangelist Lester Woods of Quanah, it was announced here by Rev. H. M. Bowley, pastor. The public is cordially invited to attend this series of services.

### ALDERMAN DECLARES PETITIONS ARE FALSE

Charges were made here today that petitions being circulated, calling for a bond issue election to pay for right-of-way on Highways 36 and 190 through the city is an effort to defeat progress.

Alderman L. Van Perkins released a statement in which he said the entire matter is an effort to defeat progress; that those responsible for the petitions would not vote to issue bonds and are also opposed to warrants. Here is the statement issued by Mr. Perkins:

"At a regular meeting of the Cameron City Council on Tuesday evening, October 17th, there appeared before your council a large group of the leading business and professional men of our city. Through their designated spokesman these men requested your City Council to immediately issue warrants in the amount of \$50,000.00 to purchase the necessary right-of-way for Highway 190 through the city of Cameron.

These men gave as their reasons for their request for the issuance of warrants as follows: 1st. Much time would be saved, in securing this right of way; and if this was not done immediately we might run the risk of losing this important road project for Milam County. Second, for the small amount of \$50,000.00 they believed that warrants in the long run would be cheaper than bonds. Third, by a careful check of the business men it was found that a vast majority favored warrants over bonds.

After hearing this delegation from business men your council immediately voted unanimously for the issuance of \$50,000.00 in warrants to secure the needed right-of-way.

Immediately opponents of the new highway began to work, doing everything in their power to block the intention of your city council. The opponents to everything that is progressive and for the betterment of your city are now circulating petitions (Turn To Page Eight, Section One)

### Post Office Burglaries Carry Things Pretty Far At Giddings

In the old days we merely listed the names of the dead and wounded, not having space to print all the horrible details.

Along comes this story of the Post Office robbery at Giddings and for realistic reporting it grabs the spotlight for the day. Says the Giddings News:

"The Giddings Post Office was entered Sunday night. A combination dial was knocked off the big vault in the office and all the locks were broken off the clerk's drawers.

### POPPY SALE SATURDAY TOTALS \$106.75 HERE

The Poppy Sale sponsored by the American Legion Edwin Hardy Post No. 9 Saturday November 4 totaled \$106.75, it was disclosed by John Fuller, adjutant.

These sales are staged each year on the week preceding Armistice and funds received from this sale is used for families of veterans who are in need of assistance such as food clothing and other needs.

The following students from the Cameron Schools helped with the sale: Jean Bradbury, Gloria Weems, Joyce Brown, Nancy Grabein, Nita Nabours, Billy Nell Johnson, Joyce Wallace, Yvonne Storey, Ann Wimberly, Nan Hubert, Bobby Price, Dorothy Eixman, Annette Manning, and Billy Price.

These students are to be commended for their efforts in carrying out this sale.

JEP S. FULLER  
GUEST SPEAKER FOR  
LEGIONNAIRE DINNER

Jep S. Fuller will be guest speaker at the American Legion Annual Armistice Day Dinner at Simon-George Memorial Hall Saturday, November 11, 1950. His subject will be "Qualities of Americanism."

Mr. Fuller is a resident of Beaumont and has resided in Jefferson County since 1927. Received his law degree in 1937 and was admitted to the bar in 1938. He went into the District Attorney's office of Jefferson County as an assistant in 1940.

At the beginning of World War II Mr. Fuller was with the FBI as an agent for two years when he resigned to volunteer in the armed service and served 13 months in the Army Intelligence. After being discharged he returned as first assistant District Attorney and in 1946 was elected to the office. After completing four years in the office he was elected State Senator this summer.

Mr. Fuller is a member of the State Bar Committee on Revision of Penal Code and Criminal Procedure. He is also a member of American Legion, 40 and 8, Fraternal Order of Eagles, Elks and Lions Club.

### SEWER CONDITIONS TO BE IMPROVED

At the meeting of the City Council Tuesday night, Alderman Bob Terry said that the city was in desperate need of some sewer cleaning equipment.

Mr. Terry said that a number of places in the city were in bad condition and with the present equipment a satisfactory job could not be had. Many tree roots have disrupted sewers throughout the city and has caused considerable damage.

The new equipment will cost around \$592.15 and will be spent for the purchase of a sewer auger. It looks as if the taxpayers money is still at stake but if this needed equipment is purchased and the council does with it, what they say they are going to do, much good will result.

The Council voted unanimously to purchase the equipment but the downtown stench which oozes from the storm sewers continues to stifle the natives.

During the meeting considerable discussion was noted on the purchase of a street marker for the mercantile area, but no action was taken on the matter.

On motion of Bob Terry and seconded by August Kunz the council was instructed to contact Earl Moseley to purchase sufficient Christmas lights for the city. The vote was 5-0 and Cameron will again have the usual Christmas lights.

Mayor Green recommended Neal Dodson to the council for their consideration for appointment as a new city electrician. The council approved Mr. Dodson if he could qualify with specifications in the electrical ordinance.

### TEXAS REPUBLICAN OUSTED TUESDAY

The lightest vote cast in a general election in the city of Cameron in the past 20 years was balloted Tuesday November 7.

Only 238 votes were cast in the city, 1,347 poll taxes were paid.

No official tabulations for the county was available today, but it was understood that voting over the entire county was light.

Homer Nabours, county clerk said that tabulation of the votes would get underway Wednesday afternoon as a large amount of the boxes were still out.

Texas' only republican congressman, Ben Guild lost to Walter Rogers, Democrat also of Pampa, Texas. Rogers was leading by some 2,500 votes with over 90 percent of the votes tabulated.

Republicans won in New York, Ohio, Maryland and California. Dewey of New York and Governor Warren of California, running mates on the Republican ticket for president 2 years ago were both victorious.

In Congress the Democrats are still in control with 54 to 42 in the senate and have a 262 to 172 margin in the house of representatives.

It was estimated around midnight Tuesday that around 40,000,000 votes had been cast over the nation and this would set a record in which the presidency is not at stake.

### CHRISTMAS FUND CONTINUES TO GROW

Miss Mildred Thornton, Chairman of the Christmas Program Committee for the Business & Professional Women's Club has expressed great satisfaction and appreciation for the manner in which business men and women are responding to the program fund.

In addition to those listed Thursday the following names and the amount of each contributor is as follows:

B. L. Archer Electric Shop, \$2.50; Western Auto Supply Store, \$5.00. To date a total of \$540.50 has been contributed.

The Jaycees, headed by a committee composed of Narvie Caperton, George Bowman and Gus Evans have joined the C of C and the B & PW Club in working out details for the complete Christmas Program financed annually by the merchants of Cameron and sponsored by these organizations. Plans are almost complete and will be announced from day to day.

Friends of Mrs. Fred Jackson regret to learn of her illness and are wishing her a speedy recovery while being confined to Newton Memorial Hospital for a few days.

### LEGION PROGRAM READY FOR ARMISTICE DAY

The American Legion, Edwin Hardy Post No. 9 will stage their Annual Armistice Day Dinner at the Simon-George Hall at 12 noon November 11.

Senator JEP S. Fuller of Beaumont will be the guest speaker and will bring a lecture on "Qualities of Americanism."

An appropriate program has been planned by the varied committees and a delicious turkey dinner will be served with all the trimmings.

Tickets are on sale at the Muse Motor Company and Horstmann Brothers Tire Store and a number of other places throughout the city. Admission price is \$1.25 a ticket.

Beginning at 9 P.M. the annual dance will be held at the Hall and music will be furnished by Happy Dan and His Boys with admission price at \$1.00 per couple.

The committees have been working on preparation for this big event in order to make this year's celebration the best ever staged. The chairman of each committee met last week and discussed last minute details in carrying out this annual affair and indications were that a big day of entertainment is in store.

Many legionnaires from the surrounding communities are expected to attend Cameron's annual celebration, and enjoy the activities of the day.

### HERALD PLANT WILL BE CLOSED NOVEMBER 11

The Daily Midget will not be published on Saturday, November 11.

The publishing plant of the Cameron Herald will be closed all day November 11 as has been the custom through the years.

Employees of the publishing plant will be back on the job Monday morning and publication of the Daily will be resumed.

Quite a few of the business houses will be closed for the holiday in observance of Armistice Day.

### WELL KNOWN CIRCUS COMING NOVEMBER 15

With the coming of the Cole & Walters circus and menagerie to Cameron for an afternoon and night performance on Wednesday, November 15, local circus fans are assured of enjoying a real circus performance and having the opportunity of seeing a varied collection of wild animals in the big menagerie being carried this season, in addition to several dens of lions, tigers, bears, apes, monkeys, deer, kangaroos, camels, elephants, etc. Cole & Walters are presenting for the first time with any circus a real baby hippopotamus, also a baby elephant and mother.

Many new and novel features are being presented under the big top this season, foremost of these will be the Kreil Family, sensational European acrobats Miss Jeanie, thrilling juvenile contortionist; Marie Webles and her trained chimps; who ride bicycles, roller skate etc. Tom & Tinny Twist, aerlists; Lucky Devere, champion lady gymnast; Van Duo, teter-bard acrobats; Wayne Newmans famous white horses; Wally Ross and thirty tons of performing elephants in all three rings; and that ever popular feature for the kiddies Cole & Walters prancing ponies, riding dogs and monkeys. A host of clowns that are really funny, headed by that veteran of the big top, Bones Hartley.

All children are invited to the show grounds at 10 a. m. circus day, to see the animals fed and watered, an education in natural history. The elephants will be down town at noon circus day.

### MR. WEEMS ILL

Robert Weems who suffered a heart attack at his home Tuesday morning is resting quietly at Newton Memorial Hospital.

We Get Only 1.07  
Rainfall In October;  
Moisture Needed

Rainfall during the month of October was 1.07 inches as compared with 6.66 inches in October 1949, it was reported by L. W. Smith, manager at the Cameron Water Department.

Pumpage in October was 12,452,000 gallons as compared with 11,188,000 the same month last year. Dry weather has resulted in the increased pumpage last month. Here is the temperature for the past week.

Many farmers in Milam County as well as surrounding counties are in need of moisture in order to plant their winter legume crops which is a part of their soil conservation program. Some farmers who harvested their cotton and other crops early have already planted some of their soil building crops and a considerable amount of rainfall will be needed for this young cover crop to continue its growth.

Mrs. Canasta Worries  
Over Street Situation

Parking meter revenue was back on the incline this week when a total of \$207.55 was collected Thursday from the parking meter boxes as compared with \$181.27 collected last week.

The street committee has been busy this week filling up some of the fox holes in the residential areas but there is still quite a number of places that need repairing badly and with a little money, time and effort could greatly improve the bump-de-bump situation that is so prevalent up and down the streets of the city.

Mrs. Canasta remarked the other day "when is some of this parking meter revenue going to be spent on the street." That is left up to the City Council, she was told.

Birth Announcement

Mrs. J. D. Baskin has received word telling of the birth of her first great-grandchild. Lt. and Mrs. James Baskin of Norfolk, Va., has announced the arrival of Mary Carolyn, born October 31, 1950 who weighed eight pounds. She is the grand daughter of Mrs. Jim Baskin of Austin. The mother is the former Miss Mary Goodrich of Marlin.

Thomas Jackson, student at Texas University, spent the week end with his parents, Mr. and Mrs. Bartow Jackson in Cameron. Other guests in the Jackson home were Mr. and Mrs. L. V. Hariston and daughter, Patricia of Luling.

Mr. and Mrs. Albert Dorner of Cameron and Mr. and Mrs. Dennis Klein and children of Burlington were guests of Mr. and Mrs. Henry Meinen at McAllen over the week end. They made a sight seeing tour into Mexico while visiting the Meinen's.

In these days of alarming uncertainty it is significant that all America is being reached during November by the "Religion in American Life" program, a non-sectarian movement aimed to strengthen religion in personal and community life.

Among the organizations sponsoring this program is the American Bible Society which was founded early in the history of our Republic to strengthen democracy through distribution and reading of the Bible. The Bible has always occupied a prominent place in the life of our country. To encourage Worldwide Bible reading during the period from Thanksgiving to Christmas, selections from the greatest passages in the Bible have been chosen.

President Harry S. Truman is honorary chairman of the national committee for Bible reading. He has commended the plan this year by declaring:

"In this age of doubt it is of hopeful significance that the Bible remains the world's best seller. Our days are cast in an age that knows not God and when love does not rule the counsels or the hearts of men."

"I call upon my countrymen once again in the sacred season from Thanksgiving to Christmas to read and to ponder in their hearts the Book by which our fathers lived—the Book which vindicates the ways of God to man. Though others falter we doubt not through the ages one increasing purpose runs."

MRS. JOHN BLAKE DIES  
IN FORT WORTH HOSPITAL

Mrs. John Blake 46, of Brownwood died in a Fort Worth Hospital Thursday November 2.

Mrs. Blake is a sister-in-law of F. G. Blake, former resident of Cameron. It was reported that she was stricken sometime early last week at her home and had undergone brain surgery at the Fort Worth hospital. She was a member of the Presbyterian Church in Brownwood.

Survivors are: her husband's son J. T. Blake of Stephenville, two daughters, Mrs. Betty Williams and Miss Joan Blake of Brownwood. Her parents Mr. and Mrs. T. E. Buncher of Burk Burnett, and four brothers, Glynn of Burk Burnett, Elbert of Abilene, Gene of Snyder and R. E.

For Worldwide  
Bible Reading

From Thanksgiving  
to Christmas

Millions of people in America and throughout the world will be reading the same verses from the Bible in the period from Thanksgiving to Christmas. This program of Worldwide Bible Reading was started by the American Bible Society during World War II and has grown in the years since.

The readings selected by poll for this year follow. The theme is "The Bible A Light and Guide". To find help in the reading a person is asked to read regularly, thoughtfully, without hurry, prayerfully and obediently, and to copy out a key verse daily and carry it for helpful reference throughout the day.

Bird in hand that's a Beauty

and a Buy!

Now it can be told. This clean-lined, smart-stepping 1950 version is the most popular Buick ever built.

Ever since early in the present year, a value-wise public has been taking them away from us as fast as—or faster than—the great Buick factories could roll them out. Within recent weeks, production and sales have set an all-time record.

Count off the distinguished and time-tried features of this winner and you'll know why.

It has a Very Exclusive Motor—Buick's own high-compression Fireball—which gets its driving power from a combustion chamber found in no other car in the world.

It has the bump-smothering softness of coil springs on all four wheels and a torque-tube drive—a comfort combination that no other car provides.

It has Dynaflo Drive\*—which ushered in a whole new concept of effortless travel.

It has a brilliant styling which sets it apart from every other car on the road.

And it has prices which say "buy me!" to any motorist who's looking for maximum money's worth.

Isn't it sensible, while these great cars are still coming off the line, to check with your Buick dealer about getting one to call your own?

## YANKS STAGGERED IN WORST SETBACK OF WAR

TOKYO, Friday, Nov. 3—Chinese and Korean Communist forces exploded another pre-dawn attack against United Nations troops in Northwest Korea today, continuing a three day drive that has forced American spearheads to withdraw as much as 50 miles.

The new Red drive, signaled by bugle calls, cut deeply into the South Korean 7th and 9th Divisions after overrunning two regiments of the U. S. 1st Cavalry Thursday morning and forcing them to withdraw nine miles.

The Red gains struck within 17 miles of the big American supply base and airfield at Sinanju on the west coast and threatened to snap shut a trap around four South Korean and two American divisions which had been racing for the Yalu River.

Lt. Gen. Walton H. Walker, commander of the U. S. Eighth Army, met the threat by calling the fresh U. S. Second Infantry Division out of reserve and throwing it into line along the Chongchon River Northeast of Sinanju.

On eastern Korea, the U. S. Seventh Marine Regiment launched a general attack against Chinese and Korean Communist forces at Sunongni, 18

miles north of Hamhung, where the advance of the South Korean Third Division was halted and thrown back earlier this week.

The Marine attack was stalled in its opening phases Friday morning by a battalion of Communists dug into the precipitous mountains with mortars and machine-guns. The Marines were unable to use their tanks because the mountains were too steep.

The Red attack in the northwest hit the U. S. First Cavalry Division near Unsan, 50 miles south of the Manchurian border, early Thursday morning and inflicted the worst setback to American arms since World War II's "Battle of the Bulge."

In its opening phases Wednesday the attack chopped up the South Korean Sixth Division north of Unsan. Thursday morning it hit the U. S. First Cavalry and South Korean First Division at Unsan. Before dawn today it hit the South Korean Seventh and Eighth Divisions south and east of Unsan and spearheaded within two and a half miles of Kunuri, 14 miles northeast of Sinanju.

Thursday night's and Friday morning's attacks against ROK Seventh and Eighth Divisions were made by an estimated three Communist divisions armed with tanks, artillery, mortars and Russian multiple-rocket launchers of the type used by the Red army against the Germans in World War II.

The threat of the Communist drive

toward Sinanju forced the U. S. 24th Division to withdraw one spearhead 50 miles from a point within 14 miles of the Yalu River boundary with Manchuria.

## Centex Overruled In Railroad Case To Stop Service

The Texas Railroad Commission in Austin Thursday overruled protests from Central Texas communities and business houses, and granted abandonment of passenger service between Valley Junction and Fort Worth.

The commission action was on application of International-Great Nor-

thern Railroad, which contended that passenger service was operated at excessive loss, according to a United Press dispatch.

At a recent hearing in Waco, representatives of communities on the line claimed that the railroad could reduce passenger losses by offering improved service.

Clyde Dodson of Sinton spent the week end here visiting his mother, Mrs. Nolan Dodson and sister, Harriett. He is employed by the Amerada Petroleum Co. there.

### Mrs. Schiller Entertains 42 Leisure Club

Mrs. E. O. Schiller entertained the 42 Leisure Club at her home Thursday November 2. Her home was decorated with lovely fall flowers and ivy at appointed places.

After several games were played, high score was awarded to Mrs. Pete Bergum and second high to Mrs. Vince Lesikar. The 84 prize went to Mrs. W. Balhorn.

A lovely salad, angel food cake and coffee were served to approximately 13 members present.

### Mrs. Alvin Dusek Is Hostess To Delphian Club Tuesday

Mrs. Alvin Dusek was hostess to the Cameron Delphian Club Tuesday afternoon at her home.

Mrs. W. C. Freeman presided over the program, and a quiz on different phases of Women and Arts was held.

Mrs. Niley Smith Sr., gave discussion on the famous women artists and what part they played in the development of art culture.

Mrs. Mark Magers made an interesting talk on the famous women musicians from the Bible days down to the present artists. Everyone enjoyed these unique discussions very much. The personalities of some of the most outstanding women of all time were vividly described to the club. The hostess served sandwiches, salted nuts, cake squares and hot chocolate.

Friends of Mrs. Adolph James regret to learn of her illness and wish for her an early recovery. She has been a patient in Newton Memorial Hospital for a few days.

Mr. and Mrs. O. G. Reese, teachers at Dime Box Public School, visited his brother and family, Mr. and Mrs. Bobby Reese, Monday night.

## RANKS SEVENTH AMONG INSURANCE AGENTS

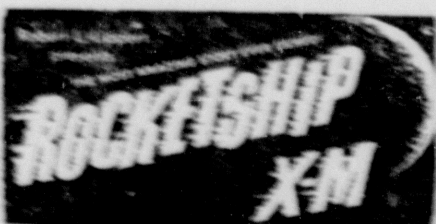

SAM WHITE

"Calling Sam For Service", proves to be good motto for local insurance men.

Back in April 1950, after a school teaching career, Sam White entered the life insurance business with the American General Life Insurance Company. He adopted the motto, "Call Sam For Service", and this motto proved to be well worthwhile to Sam's efforts.

Sidney L. Loveless, District Manager of the Central Texas Agency with headquarters in College Station, has announced that Sam White completed the month of October with outstanding results. October is the Company contest month, known as the ALL AMERICAN MONTH, and is staged in the honor of Gus Wortham, Milam County farm owner and president of the American General Group. To prove that success can come to a man who is willing to pay the price, we find in our discussion with Sam that he works almost exclusively in Cameron and Milam County. In order to show sufficient honor to Mr. Wortham, Sam decided that he would put on extra effort in October to have a particularly good month. For that reason he took a monthly quota of \$1,850.00 in annual premiums and set

MILAM THEATRE  
SUNDAY AND MONDAY  
November 12 & 13

out with the help of his friends to achieve this goal. He exceeded this quota with substantial margin and in doing so led the entire Central Texas Agency for the month of October. He placed seventh among all Agents for the American General Life Insurance Company. In making this remarkable progress in the ALL AMERICAN MONTH, Sam qualified for numerous prizes, among which was included stock in the American General Group.

He has entered the life insurance business as a career and is doing the things that are required of a person to be a successful life insurance man. He has put service before self, and believes sincerely in his motto. In order to be a better life insurance man he is enrolled in the D. L. B. Intermediate Course for Life Insurance Agents.

Recently undergoing surgery at Newton Memorial Hospital is Mrs. Joe Frank Mayer who is improving rapidly.

El Pedia Tomez is ill and confined to Newton Memorial Hospital for several days.

Nice (?) chilling thought  
for a hot day:

Life expectancy now about  
70 years of age

1 out of every 3 over 65 have  
no cash income

Were you born today? If so, you've got a life expectancy of 66 years.

If you're an old man of 25, you'll probably live till you're 69½. If you're 35, till over 70. If you're 45, till 71½. (We mean men. Women live 4-5 years longer.)

Isn't that nice? But whos, there—nearly one-third of the 11,000,000 persons over 65—not counting inmates of institutions—have no cash income at all.

What's to prevent your being one of those 1-out-of-3's? For millions the answer is: United States Savings Bonds—bought through Automatic Savings! It's a safe and sure way to save.

Those on payrolls can buy them through the Payroll Savings Plan. Others, through the Bond-A-Month Plan.

For your own peace of mind, sign up for Automatic Savings today!

## STUDENT BODY SPIRIT HIGH FOR HOMECOMING

Classes at the Yoe High School will stage a Bonfire and Pep Rally tonight at 7, in beginning preliminary activities for the Annual Homecoming on Friday November 3 it was announced by Coach Paul Smith.

Activities will get underway with a parade, starting at the Postoffice led by the Yoe High Band under the direction of Francis Cox and will parade the downtown area and end up at the Lawless Green Athletic Field where a huge bonfire will be staged.

Leroy Thompson, Agriculture instructor at the school is heading the committee in securing material for the bonfire and it was understood a huge pile of refuse material has been placed on the field.

The parade will have floats and each class will have their queen aboard individual floats.

The winner of the queen contest will be presented with a bouquet of flowers by Co-Captains Eldon Batte and Denson Ermis at the half time tomorrow night at the Yoemen-Belton game.

Immediately following the game a reception for the seniors and the Yoe High Exes will be held in the Home-making living room in the Vocational building. Exes are requested to register before going to the dance and get together to be held in the gym.

## MERCHANTS CONTRIBUTE TO CHRISTMAS FUND

E. Flinn, \$5.00; Exchange Furniture, \$3.00; Grant Lumber Co., \$5.00; L. Meyers Beauty Shop, \$1.00; C. E. Triggs, \$3.00; Lina's Beauty Shop, \$1.00; Cammer's Tailor Shop, \$2.50.

## Social Security Law Amended For W W II Service Men and Women

An important phase of the amended Social Security law—one that went into effect on September 1, 1950—is that relating to the World War II veteran, and to survivors of both men and women who served in World War II.

What are the new provisions for World War II servicemen? To begin with, they give \$160 wage credits for each month of active service between September 16, 1950 and July 24, 1947. Recompensation to take these wage credits into account will be made, and such recompensation is used in all cases where it will result in higher old-age or survivors insurance payments.

The new provision is not affected by any compensation or pension that may be paid by the Veterans Administration. The only cases where the \$160 service-connected wage credits will not be given are those in which benefits, other than a lump sum, are payable under some other Federal Plan, for instance, Civil Service or Railroad Retirement. The \$160 wage credits will be given to every serviceman who had 90 days or more of military or naval service, within the dates mentioned, and whose discharge or release from service was not dishonorable. The 90-day provision does not apply if discharge was caused by injury or disability, or death occurred while in service.

Obviously, this \$160 a month service-connected wage credit of the new Social Security law will bring larger benefits to present survivors of servicemen and to the families of veterans who die within the next few years. Also, many World War II ex-servicemen, now in the 50-60 age group, will acquire old-age and survivors insurance status through these service-earned wage credits.

In its broader aspect, this provision of the amended Social Security Act will enable many veterans to regain social security status built up before the war. Also, it will help establish these insurance rights for veterans who never worked in social Security covered jobs before entering military service.

## Power Company Buys 10 Acres in Waco

Texas Power and Light Co. has purchased ten acres of ground at the 3600 block on Ranklin in Waco, John C. Young, vice president of the company, and manager of the Waco district, said Thursday.

"We are rapidly outgrowing our present facilities in Waco," Young said. "The company has no immediate plans for construction on this property; however, it will probably be used in the future as a service center, storeroom and pole yard."

Young has been working with the Waco Chamber of Commerce in securing the location.

Mr. and Mrs. Wells Smith and Mrs. George Graves attended the funeral of Miss Sara Neale held in Denton Monday afternoon.

On a farm not far from the campus of the A. and M. College of Texas lives a quiet little man whose genius has done much to feed a hungry world. He is Edgar S. McFadden, plant breeder for the U. S. Department of Agriculture and the Texas Agricultural Experiment Station, who has been working at A. and M. since 1935. Known as the "Burbank of the Wheatfields," Mr. McFadden developed the world's first rust-resistant wheat, parent stock for grains which now grow on millions of acres around the world where wheat once could not exist. Since 1935 his work has spread the Texas wheat belt to three times its former size. He has received the *Readers Digest* annual award for service to humanity, is one of the five Texans to be named as Fellows of the American Society of Agronomy and has received citations of merit from scientific societies throughout the world. The farmers of his native South Dakota have erected an imposing marble monument to him in his old home town of Webster. The work of this one man is said to be worth hundreds of millions of dollars a year to the farmers of America.

Mr. and Mrs. F. A. Marek, Olga and Amos spent the past Sunday visiting at Dime Box. Mr. and Mrs. Paul Fuller and baby of Bryan were visitors here the past week end.

## ACHIEVEMENT WEEK FOR TEXAS 4-H CLUBS

Texas 4-H club members, more than 113,000 strong, have joined with the nearly 2,000,000 members in the nation to observe National 4-H Achievement Week, November 4-12.

Working towards their 1950 theme, "Better Living for a Better World," 4-H youths have been a busy group during the past year. They have produced and conserved food, worked to make their homes more comfortable and attractive, helped to supply the extra labor needed to produce crops and livestock and furnished "know how" for making their farms more efficient and productive. During National 4-H Achievement Week, they will report to the nation on just what they have done. The local volunteer 4-H leaders and the outstanding members will be recognized for the contributions they have made to the welfare of their state and nation.

The officers of the 4-H clubs in Tex-

as, their leaders and extension agents have made plans for achievement banquets, tours, achievement days and other special events for the week. Exhibits will be placed in show windows and 4-H members will tell service clubs, farm organizations, school assemblies and other groups about their work.

champion truck drivers choose Dodge!

Champion drivers know champion trucks!

The nation's state champions... with proved reputations for safety records and driving skill... competed recently in New York at the National Truck Rodeo. Given the privilege of driving any make truck, these champions selected Dodge for national competition by more than 2 to 1 over all other makes combined!

In the events in which Dodge trucks participated, 6 out of 9 national winners drove Dodge "Job-Rated" trucks.

The champions selected Dodge for these tough tests because of "its extra visibility, its great maneuverability, good braking, and ease of handling." So, take a tip from the men who know: drive a Dodge "Job-Rated" Truck!

## YOEMEN VICTORIOUS IN HOMECOMING GAME

The Yoemen galloped to an easy victory over the Belton Tigers here Friday night with a 37-0 win before an estimated homecoming crowd of 2,500, scoring within the first four minutes of play.

Glenn Rosenberg took the kickoff on his 10 yard line and handed off to Eddie Lankford who scampered down the sideline to the Belton 18 where he was hauled down from behind by Charlie Sessions. Joe Johns added 6 yards and Lankford picked up 8 more for a first down on the Tigers 4. Rosenberg on the next play plowed his way over. Glenn missed the extra point.

Belton came back after the return kick with Symes making 6 yards and Boren making a first but the attack bogged down and was forced to kick after three more plays.

Later in the first quarter Lankford took the Belton punt and brought it back out to the 45 yard line. Johns made a first down, then Rosenberg tossed a pass to Bobby Stanislaw who added 6 more yards for another first down. Rosenberg on an off tackle play carried it to the Belton 30 yard line, and on the next play Glenn on a hand off from Eldon Batte knifed his way through right tackle for the score. The conversion was good making the score 13-0.

Ray Thompson recovered a fumble on the Belton 39 yard line early in the second quarter and with several tries at the Tiger line maneuvered on down to the Belton's 20 yard line with Johns picking up the last first down. Lankford on a hand off from Rosenberg carried on down to the Tiger 2 and scored on the next play. Rosenberg again missed the extra point.

During the half time the Belton

Band and Pep Squad put on a number of unique formations. Ann Karnowski, sophomore was crowned queen of the Yoemen's homecoming and was presented a beautiful bouquet of flowers. The Yoe High Band also performed in their usual outstanding performances.

During the third quarter the Tigers maneuvered down to the Yoemen 32 yard line after an exchange of punts but the Tigers were forced to punt as the Yoemen line stiffened and Boren kicked out on the Yoemen 18. The Yoemen then brought the ball out to the 47 where Batte kicked out of bounds on the Tiger 26. The Tigers failed to make a first down and were again forced to punt. Lankford took the punt on his 6 yard line and handed off to Rosenberg and behind perfect blocking of Reichert, Of-field, Mondrick, Stanislaw and Rice went all the way for the tally. This was a beautiful run back as the Yoemen were on their toes blocking out the Tigers and as Glenn crossed the 50 yard stripe he was in the clear. Jack Logan's try for extra point was blocked.

After four minutes of play in the final quarter Lankford took a Tiger punt on his 15, gave yardage and picked up his blockers and on a sensational jaunt, raced 85 yards for the TD. Thompson throwing the key block with Malone, Allen's assistance. Rosenberg missed the extra point.

Cameron recovered a fumble on Belton's 38 yard line and Johns made 8 through right tackle. Rosenberg and Batte made a first down and Lankford picked up 7 more. Johns then plowed to the 2 yard line and Lankford went over for the score. Try for extra point failed.

Belton then took to the air with 2 screen passes that netted two first downs and on a double wing formation moved across mid field on down to the Yoemen 42. They tried desperately on three more passes with two long ones falling incomplete down on the Yoemen 10 and 12 yard line. Belton kicked out on the Yoemen 13 and the Yoemen started up field for another touchdown scoring from the Belton 26 yard line but the ball was brought back and Cameron penalized for off sides. The game ended with Cameron on the Belton 34 yard line.

The Yoemen defense was outstanding as well as the offense and the Tigers were unable to penetrate the Yoemen 20 yard line. All the players on the squad were outstanding for this homecoming game with the Tigers.

## COMMUNISTS PLAN MASSIVE ATTACK

WITH U. S. MARINES IN NORTHWEST KOREA, Saturday, Nov. 4—Chinese Communists today cut off two Marine battalions north of Sudong after penetrating positions of the attacking Seventh Marine Regiment.

An official source said a Chinese roadblock was set up behind the two battalions.

The Marines, attacking north from Sudong, 20 miles south of the bitterly defended Chonjin Reservoir, encountered strong resistance, Marine Corps officers said.

He reported small arms and mortar fire raking the Leathernecks. A First Marine Division spokesman said a third cut off battalion near Majon, 16 miles west of Wonson, was well dug in and in no danger.

A helicopter spotted a small force of Reds preparing to ambush a relief column heading for this battalion. The pilot warned the convoy and convoy guards deployed to ambush the would-be ambushers while the convoy halted.

South Korean forces pushed back a Communist spearhead three miles along the vital Chongchon River line in northwestern Korea and brought the three-day-old Communist drive to a standstill, at least temporarily. The North Korean Communists and

their Chinese Communist reinforcements broke off the battle at all major points on the northwestern front after three days of attacks that forced American spearheads to withdraw from nine to 50 miles.

A first corps spokesman said United Nations forces holding the Chonchon River line have established "a firm defense line" and are waiting to see what the Communists facing them would do.

## YOUTH ACTIVITIES AND AMERICANISM IS TOPIC

Judge W. A. Morrison of Cameron, chairman of The American Legion's Boys' State program, met with other members of the state Americanism Committee in Department Headquarters in Austin, Wednesday, November 1, to discuss expansion of programs in the fields of youth activities and Americanism.

Secretary of State John Ben Sheppard of Gladewater is chairman of the state Americanism Committee. Other members of the policy-making body of the Department of Texas are Bill Dorris Sr., of Alpine; Jimmy Waters of Lufkin, Henry B. Wiener of San Antonio, Lamar Zivley and Harry Cole of Temple, Roby C. Fagg of Longview and H. H. Coffield of Rockdale.

Upon the recommendation of Judge Morrison the Americanism Committee unanimously endorsed the expansion

## The Cameron Herald November 9, 1950

of the Boys' State program held annually in Austin by adding regional model Boys' State conferences. High school sophomore students will participate in this new phase of youth activities to be sponsored on the Post level of The American Legion. The number of regional conferences modeled after the highly successful Boys' State program in Austin for High school juniors will be decided at some future date.

Department Commander Bill Elkins of Killeen and Adjutant G. Ward Moody of Austin also participated in the State Americanism Committee discussion of programs, such as Boy Scouts, Oratorical Contests, School Awards and Boys' State.

Doris Senkel, student at Durham's Business College at Austin spent the week end with her parents, Mr. and Mrs. John Senkel. While here she attended the Cameron-Georgetown football game in Georgetown Friday night.

*Are Our Texas Highways  
Being Destroyed by 1%  
of Highway Users?*

This question is presented squarely for the first time by the Texas Tax Journal in its booklet, "The Case of the One Per Centers."

Every Texan who wants good highways, adequate for 99 of every 100 users, should write for a free copy of this revealing booklet.

Approximately 99% of all Texas motor vehicles are registered for a gross weight of 20,000 pounds or less.\*

All Texas taxpayers, including your Texas Railroads, have reason to be concerned about the high cost of constructing and repairing our highways and the prospect of building more costly roads made necessary by the operation of highway "box cars."

No one has any desire to bar vehicles of reasonable size from our highways, so long

as each pays its fair share of construction and repair costs.

Other Texas taxpayers should not be required to shoulder the burden of a roadway system for highway "box cars", representing only 1% of highway users.

Every Texan interested in good highways without increasing the growing tax burden should fill out the coupon below and get a copy of this valuable booklet.

## CHINESE RED ENTRY IS 'SNEAK ATTACK'

TOKYO, Monday, Nov. 6— Gen. Douglas MacArthur declared today that Chinese Communist intervention in the Korean war is "one of the most offensive acts of international lawlessness" and indirectly asked United Nations permission to strike back against China.

MacArthur said he has completed his authorized mission of destroying the entire North Korean army of 335,000 men but now is faced with "a new and fresh army" of 5,000,000 Chinese operating from bases "behind the privileged sanctuary of the adjacent Manchurian border."

Intelligence officers estimated that 500,000 of these are massed on the Yalu River boundary of North Korea. Front dispatches said they were pouring across the frontier in hordes with 50,000 or more already in ac-

tion.

Chinese Communist intervention in the Korean war was made surreptitiously, MacArthur said in a United Nations communique, in an effort to trap and destroy United Nations forces in Korea before they knew what hit them.

Asserting that the trap had been evaded only by the "pedspicacity and skill" of his troop commander in Korea, MacArthur said in a special U. N. communique that:

1. He has destroyed the North Korean army.

2. He is now faced with "a new and fresh army . . . backed up by a possibility of large alien reserves and adequate supplies within easy reach to the enemy but beyond the limits of our present sphere of military action."

3. The question whether these reserves will be used as "a matter of the gravest international significance."

4. "Our present mission is limited to the destruction of those forces now arrayed against us in North Korea."

By implication, in his grim summary, MacArthur asked the U. N. for fresh instructions—presumably, instructions to carry the war to the enemy if necessary.

It was a sneak attack, MacArthur stressed. And he pointed out that he can only fight it with his present authority, on Korean soil while the Communist mass in safety a few miles from his front lines.

As MacArthur ripped aside the secrecy surrounding Chinese participation in the Korean war, United Nations forces were fighting a back-to-the-wall action in the north banks of the Chongchon River.

The river was the last natural defense before Pyongyang, some 40 miles to the south.

MacArthur did not mention the Chinese Communists or the Peking Government specifically. He referred to "Communists" and "Alien Communists."

But it is now known for certain in Korea that Chinese Communist troops have come to the rescue of the beaten North Koreans in complete divisions.

## LEGION POPPY SALE IS SCHEDULED HERE

## ALDERMAN DECLARES— (Continued from page one)

tions in Cameron, calling upon the City Council to immediately call an election for the purpose of voting bonds in the amount of \$50,000.00 for the purchase of the required right-of-way. By so doing they are trying to leave the impression with the voters that this group is doing all in its power to get this right-of-way for this important highway.

The citizens of Cameron must not be fooled by such mis-information. What this group is trying to do is this; they hope to secure enough signatures on their petitions to block the issuance of warrants, and if a bond election is called they will do all in their power to defeat the bonds in the election. Their leaders have so stated that they are not in favor of either bonds or warrants. They are telling the voters that warrants will cost the city of Cameron at least a 4 per cent interest rate. Such information is not true, reliable bond houses have indicated to your council that warrants will be purchased at a very favorable rate of interest of around 3 per cent, or even lower.

Those who are opposed to any movement for the betterment of Cameron are also telling the voters that the purchase of the right-of-way will increase taxes. Such information is untrue. Your city is in excellent financial condition and these warrants can be retired within a period of eight years without raising your taxes.

Leading business men with your city council sincerely hope that the voters of Cameron see the method the opposition to good roads in using to defeat any progressive move in Cameron. Don't be talked into signing one of their petitions. Some who have already signed are having their names removed, since getting the true facts.

Milam County is known all over the state and nation for having the poorest roads found anywhere. Good customers who would like to come to Cameron and trade with our merchants are now finding it much easier to drive to neighboring cities, where they live in communities bor-

dering other counties. Cameron has practically lost all of the valued trade in the territory between Buckholts and Rogers, these people had much rather drive to Temple. Once this trade is lost to Cameron, it will be hard to win back.

If you are interested in the signs of our times, take a look around our little city and you will find an average of one vacant building in every block in our town. This is happening in supposedly good times. What is the answer? Do you want to help your home town go forward, keep your property rented, keep your property values up; or do you want to do as that group of chronic objectonists would like to have you do—fight every thing for the betterment of Cameron.

L. VAN PERKINS,  
Councilman.

## GEORGE B. SHAW, GREAT DRAMATIST IS DEAD

AYOT, ST. LAWRENCE— Eng., Thursday, Nov. 2—George Bernard Shaw, one of the modern age's greatest dramatists and its most caustic critic died at the age of 94.

The white-bearded Irish born sage, whose wit was renowned throughout the world for half a century, succumbed at 5:05 A. M. (11:05 p. m. CST).

"Oh, Nancy, I want to sleep," Shaw told Virginia born Lady Astor, who was at his bedside during his last hours.

Shaw's death was announced to newsmen by his housekeeper, Mrs. Alice Laden.

Wearing black, she appeared at the gates of the cottage, "Shaws Corner," and told the reporters: "Mr. Shaw is dead."

Vegetarian, teetotalling Shaw, who professed himself both a Communist and an atheist, was visited in his last hours by an Anglican clergyman who said final prayers for the old sage's soul.

"It is wrong to say that he was an atheist," said the minister, the Rev. R. G. Davies. "He believed in God."

Shaw lapsed into his final coma at 3 a. m. (9 p. m., Tuesday, CST) and never regained consciousness.

Operated on seven weeks ago for a broken thigh, suffered when he slipped and fell in his garden, Shaw grew steadily weaker. A bladder ailment aggravated his condition.

Lights burned for two nights in Shaw's Corners, the red brick house where he made his home, while his whole staff kept vigil.

A. D. Lagrone of Milano was a visitor in the home of Mr. and Mrs. Marvin Pratt Sunday night.

## What Is A Customer?

A customer is the most important person ever in this store—in person, by mail, or by telephone.

A customer is not dependent on us—we are dependent on him.

A customer is not an interruption of our work—he is the purpose of it. We are not doing him a favor by serving him—he is doing us a favor by giving us the opportunity to do so.

A customer is not an outsider to our business—he is part of it.

A customer is not a cold statistic—he is a flesh-and-blood human being with feelings and emotions like our own, and with biases and prejudices.

A customer is not someone to argue or match wits with. Nobody ever won an argument with a customer.

A customer is a person who brings us his wants. It is our job to handle them profitably to him and to ourselves.

That is what a customer is—in your business, in our business, or in any business. Some people seem to have forgotten a few of those basic truths in recent years, but it is high time to be remembering them again. Tomorrow may be too late!

## Homemakers Chapter Observe National F. H. A. Week Here

The Chapter of the Future Homemakers of America began their celebration of National Homemakers week by officially installing 41 new members Nov. 1 in the Yoe High Gym.

A large group attended the celebration including teachers, parents and a number of interested persons from Cameron, Walkers Creek, Ben Arnold, Marlow, Salem, Yarellton, Belmena and Burlington.

Betty Jo Harlan, president of the chapter, was in charge of formalities and was assisted by Bytha Ann Baker of Marlow who is vice-president. Other officers taking part in the program were: Mary Frances Hensley, song leader, Shirley Hariston, historian, Loretta Becker, sergeant-at-arms, Martha Swany, parliamentarian, and Laverne Michalka, reporter.

Miss Frances Vogelsang also had a spotlight on the program. She carried out a number of homemaking projects at her home last summer and has been a leading student in class activities since the beginning of the September term.

Other students present were Johnnie Faye Glass, Wallye Jan Robins, Maxine Schuetze, Freda Rice and Joyce Provasek.

The father and mother represent-

tatives present were Mr. and Mrs. J. H. Glass of Cameron, Mr. and Mrs. J. A. Provasek of Yarellton, Mrs. Bill Becker and Mr. and Mrs. Ralph Michalka, of Cameron.

Other activities planned as a part of National F.H.A. Week were an assembly program, making hot rolls for the lunch room, helping with the homecoming reception and a party for the initiation of new members in an upper classmen manner to be held sometime in the near future.

## L. D. BARNES, JR. IS MEMBER DRAFT BOARD

L. D. Barnes, Jr., of Thorndale was informed today that he has been appointed a member of local draft board No. 92 at Cameron to represent Milam County.

Mr. Barnes was appointed by President Truman after being recommended by Governor Allan Shivers. He was advised of his appointment by Brigadier General Paul L. Wakefield, state director of Selective Service.

"I am sure your membership on this board will reflect great credit to yourself and your state and nation," General Wakefield wrote Mr. Barnes.

Local draft board No. 92 has jurisdiction over Milam County.

## MAJOR AIR CLASH IS SUCCESSFUL

TOKYO, Wednesday, Nov. 8.—American Mustang pilots won their first major clash of the Korean war with Russia's newest jets Tuesday. On the ground revitalized American and British forces surged forward for gains of more than two miles against a withdrawing enemy.

Chinese and North Korean withdrawals north of the Shangchon River puzzled American commanders, and they advanced warily lest this be another Communist trap such as chewed up two regiments of the U. S. First Cavalry and South Korean First Division last week.

Pilots reported enemy troops fleeing under air attack north of Pakchon. A British patrol pushed to within a mile and a half of Pakchon which is nearly 10 miles north of Sinanju at the Chongchon.

Russian-built MIG-15s—newest and deadliest in the Russian arsenal—attacked five times in hit-run strikes from behind the safety of the Manchurian border Tuesday. The Mustangs damaged three of them without loss or damage to themselves. The enemy jets fled back over the border before American jets could challenge them.

Ten other enemy jets were sighted across the Manchurian border but were protected by the international boundary.

American pilots speculated that Russian or former German airforce officers piloted the MIG-15 enemy jets—newest and deadliest in the Russian arsenal.

They said the enemy pilots were extremely skillful and used jet fighter tactics "to perfection."

On the ground, American, British and South Koreans gained two miles or more in three sectors of the Korean fighting fronts, retaking positions north of the Chongchon River lost Sunday and Monday to Chinese suicide units and reinforced with North Korean Reds.

## CATTLEMEN MEETING WILL BE TONIGHT

(From the Daily)

Ranch and cattle men are scheduled to meet tonight at 7:30 at the Simon-George Hall to discuss the improvement and developing of the cattle industry in Milam County.

Many of the cattle producers over the county are expected to attend this important meeting. There will be advantageous points brought out in the program that will be very beneficial to any person interested in beef and range cattle.

Leo Fuchs, Leroy Thompson and J. D. Moore, members of the livestock committee at the Chamber of Commerce have planned an interesting program.

Door prizes will be awarded and a large crowd is expected to attend.

Milam county is still one of the leading counties in the state in cattle production.

## Cameron C Squad To Meet Rosebud C Team; Last Game Of Season

The Cameron C Squad will meet the Rosebud C Squad here at the Yoe High Athletic Field tonight at 7:30 it was announced by Coach Don Ross.

The Cameron Team defeated the Rosebud team in Rosebud some four weeks ago by a score of 25-6.

Coach Bill Moore of Rosebud will bring his team down tonight with anticipation of winning from Cameron since they were defeated by the Cameron boys earlier in the season.

The Caldwell C team defeated the Cameron C team in Caldwell last Thursday night by a score of 32-19. This was the first defeat of the season for the C team. Caldwell played heavier men both in the line and backfield against Cameron.

The game with Rosebud will be the last game this season and the captain for the year will be elected after the game.

Mr. and Mrs. H. D. Woods and sons of Milano spent the week end in the home of Mr. and Mrs. Marvin Pratt.

Mr. and Mrs. Bob Curtis and daughters Suzanne and Janice and Miss Jean Kirk of Houston spent the week end in Cameron visiting Mrs. Bib Kirk.

Preston Armstrong is in Ft. Worth on business for several days.

LeRoy Thompson  
Entertains FFA  
With Supper

Plans for the program of work for the FFA Chapter at the Yoe High School were discussed at the home of Advisor LeRoy Thompson Wednesday night.

Discussions on financial status of the chapter, the recreation and ways of creating a local interest in the chapter were given by different members. Recreational activities included basketball, volleyball, bowling and many other games.

Mrs. Thompson served a delicious supper consisting of Spaghetti and meat balls, salad, rolls, tea and ice cream and cake.

Officers of the chapter are: Dean Fuller, president; Thomas Dusek, vice-president; Monroe Fuchs, secretary; Carl Hill, reporter; Jim Matyastik, parliamentarian and G. B. McDermott, historian. Others attending were Ardell Paegel and Wallace Colburn.

All members are urged to attend the next meeting to be held in the vocational agriculture room on November 6.

Homemaking Class At  
O. J. Thomas Planning  
New Projects Here

The New Homemaking class at the O. J. Thomas School installed officers at a meeting on Wednesday night October 25.

C. L. Sadberry, principal was the main speaker and pointed out how this organization is making great progress under its new leaders.

Hattie Williams, one of the sponsors discussed the various projects the classes are undertaking now in their work. They are renovating their class room and are making plans to beautify their grounds.

The next meeting will be held the first part of November.

Judge and Mrs. Ed Gunn visited the A. M. Barber family at Pleasant Hill the past Tuesday. Mr. Barber who has been very ill is some improved. Woody McIver, brother of Mrs. Joe Barber of Houston, who died of a heart attack recently was buried at Pleasant Hill Sunday, October 29. Mrs. Barber is an aunt of Judge Gunn of Cameorn.

Mrs. Claude Sweaks and daughter, Linda visited friends in Cameron one day recently after being business visitors in Rosebud. The Sweaks recently moved to Hearne from Comeron.

A. R. Korhing of Rosebud was a visitor in Cameron Saturday.

YOUNG MEN OFFERED  
MARINE ENLISTMENT

To accomodate those men who do not desire to commit themselves to regular three or four year enlistments, the Marines will now enlist men for an indefinite period, the local Marine recruiting officer announced today.

Such men will receive all the benefits due regular Marines. They will compete for promotion in rank with regular Marines and their pay and privileges will be the same.

Those who enlist for this class of the Marine Corps will be assigned to active duty immediately and sent to recruit depot at San Diego, Calif.

Young men 19 to 26 are eligible for the draft under selective service. Men interested in service with the Marine Corps must apply for enlistment, either regular or indefinite, prior to receiving pre-induction notice from their local draft boards.

All men 17 to 29 years of age who can meet the requirements of the Marine Corps can now enlist at the Marine recruiting office, located in the County Court House Building in Austin.

Mr. and Mrs. Curtis Jackson of San Grove have returned from a visit with Mr. Jacksons sister, Mrs. W. E. Bailey in Kilgore.

GEORGETOWN HOST TO  
TAYLOR DUCKS FRIDAY

The Championship of District 21-A will be at stake Friday night when the Georgetown Eagles and the Taylor Ducks clash in what is due to be the game of the season.

The two power houses coming through the district undefeated will be in complete readiness Friday night as they meet on the Georgetown field and that of course will give Georgetown the advantage.

Georgetown has been picked by many to be the winner of the conference, having a record of eight wins this season. The Cameron Yoemen are the only team this season to hold the Eagles when they outplayed the Eagles for three quarters in their decisive game in Georgetown on October 27, only to lose 13-7.

The Taylor Ducks with its offense and defense is in tip-top shape are looking forward to defeat the Eagles and are making all needed preparations for the game Friday night as

they journey over to Georgetown. The Ducks have been defeated only once this season and that was non-conference game with Lockhart, losing 33-13 early in the season and since that time the Taylor team has built up an offense that will be hard to stop when the two conference leaders make their bid for the championship.

The Yoemen will meet the Rosebud Panthers here Friday night and from all indications should be the winners as they have improved as the season continues and from their triumph over the Belton Tigers last Friday night, the Rosebud game should be an easy victory although the Panthers are always set for the Yoemen and will do every thing to defeat them.

The Killeen Kangaroos will meet the Belton Tigers and sportswriters have given Killeen the edge over the Tigers from conference statistics and too, a number of the Belton star players have been suspended for the season.

Mr. and Mrs. Frank Richards and son plan to visit in San Marcos over the week end.

Sophomore Class At  
O. J. Thomas To  
Present Play

The auditorium of the O. J. Thomas School will be the scene of a gala affair Thursday night when the Sophomore Class will present a play entitled, "Womanless Wedding."

Eddie Harmon, 4 feet 5 becomes the bride of Ira Canady, 6 feet 2. The bridesmaids, including Joe Pollard, Nathaniel Young, John Freeman, Clay Arthur Banks, and Ulysses Debose will be decked in their most beautiful organdies and dimities with ribbons and flowers in their hair.

As an added attraction the class is presenting Gus T. Poole and his orchestra in concert. He is a graduate of O. J. Thomas and at present a student at Prairie View where he organized his orchestra.

Mr. and Mrs. Alex Triggs of Dallas visited homefolks in Cameron the past week end.

Mrs. Cecil Cone spent the past week visiting in Temple.

DENSON KIRK REMAINS  
IN CRITICAL CONDITION

Denson Kirk, son of Mr. and Mrs. Gobe Kirk of Bentonville, Arkansas, formerly of Cameron, was seriously injured in an accident in a Zinc plant near Dumas, Texas on Thursday November 2.

Mr. Kirk was assisting in removing a shield from a sliding door at the plant and it fell on him crushing his pelvis bone, his right hip and internal injuries. He had been employed by the Dumas Zinc Plant only a short time prior to the accident.

His condition still remains very serious and he will be confined to the hospital for six or eight weeks.

Mr. Kirk is a veteran of the late war and was stationed overseas in Japan and Korea the major portion of his service in the armed forces. He married the former Helen Halpain of Cameron.

Brooks Fikes spent the week end in Waco recently visiting friends and relatives.

## Texas Baptists Open Convention Tuesday In Fort Worth

Christianity will still be marching on when Communism is but a memory of a dark and evil period in world history, U. S. Senator Tom Connally told 6,000 men of the Baptist State Brotherhood Monday night in Will Rogers Memorial Coliseum.

"Christianity overcame persecutions from its inception, it overcame conquests and conquered the imperial power of Rome itself and will in the end be the winner over Communism," he said.

The Senator closed his brief talk by stating that "We shall never worship a dictator but will only worship the Lord Jesus Christ, who we are proud to serve."

Connally was introduced by Clifton W. Brannon, Longview brotherhood president.

The brotherhood's 10th annual convention continues through Tuesday. The Baptist General Convention of Texas will begin tonight.

Congressman Brooks Hays of Arkansas, who also is Vice President of the Southern Baptist Convention, said there is need for Christian principles in the settling of industrial and racial peace just as much as there is in the problem of world peace.

## Cub Scout No. 213 Holds Monthly Meeting

Cub Scouts Pack No. 213 met at the First Presbyterian Church Tuesday night for their monthly inspection night with members of the Lions Club as judges.

The program got underway with a halloween stunt planned by Mrs. Emory Camp which was enjoyed by all the scouts. 22 new boys were initiated and received their bobcat pins and a number of scouts received other awards.

Emory Camp talked on the duties of the scouts and around 65 boys were present.

After the program the scouts donned their masks and costumes and paraded through town and were served ice cream and cookies on returning to the church.

## LAST RITES HELD FOR MR. STRATTON OCT. 31

Roland George Stratton died at McCloskey Hospital in Temple October 30 after being a patient there for 22 months.

Mr. Stratton was born in Milam County in 1893 and attended school at Walkers Creek, Curry, Tracy and Lilac. He was called to the army in 1917 and was stationed in San Antonio for two years. He moved to Kentucky in 1920 and there married Miss Connie Swinney. He joined the Pentecostal church in 1926.

He is survived by his wife, one daughter, Mrs. L. S. McIntosh of Temple; one daughter who died at the age of 18 months in 1926; one brother, Frank Stratton of Lileac; one sister, Mrs. J. R. McQuary of Lilac and four grandchildren.

Burial was made in Friendship Cemetery October 31, with Chaplain Hamilton and Rev. Thornton of Temple officiating.

Palbearers were his nephews, Ellwood, Ray and Jim McQuarry, Victor Lyn, Guy Stratton and Forrest Wilkerson. Out of town friends and relatives attending the funeral were Mrs. Cora Sandlin and Miss Sandlin of Temple, Mr. and Mrs. Ray McQuary and children, Mrs. Vera McQuary, Elwood McQuary, all of Sinton, Mr. and Mrs. Forrest Wilkerson of Odem, Mr. and Mrs. Victor Lyn of Houston, Mrs. Cora Stratton and Guy Stratton of Austin and Mrs. Andrew Hogan of Lockhart.

Mr. and Mrs. Joe Walzel of Austin spent Thursday visiting her mother, Mrs. Mary Balcar in Cameron.

Hugh Ridout of Cameron and Van Latham of Killeen attended the SMU-Texas football game in Austin Saturday.

## SOVIET-BUILT JETS CHALLENGE YANKS

TOKYO, Tuesday, Nov. 7—Four Russian-built jet fighters, at least one from the Manchurian bases, briefly challenged United Nations air supremacy over North Korea Monday but ground fighting settled into an ominous, uneasy lull.

Lieut.-Gen. Kalton H. Walker seized advantage of the lull to send the U. S. Second Infantry Division striking east across the narrow waist of North Korea to establish an unbroken defense line against an expected new Communist assault.

Walker, commander of the U. S. Eighth Army, threatened by massive and continuing Chinese Communist reinforcements in North-western Korea, also brought up reinforcements of his own to bulwark the Changchon River line north of pyongyang.

The Chinese and Korean Communists, failing in their first attempt to smash through the United Nations northwest defense lines, fell back late Monday but American officers believed new and heavier Red assaults were coming.

A spokesman for the U. S. First Corps on the Chongchon River said he had received reports of considerable enemy troop movements to the north which apparently were a regrouping and redeploying maneuver.

The main force of the enemy withdrew from the U. S. 24th Division from north of Anju, United Nations

anchor point on the river, but air reconnaissance said Chinese Communist troops and supplies still were pouring across the Yalu River and massing north of the U. N. Line.

These reinforcements, which included staff cars for high Chinese Communist officers, were brought under immediate air assault while other United Nations planes patrolled the Yalu River boundary against sneak air attacks from Manchurian bases.

American fighters on patrol Monday ran into four new Russian jets, all believed to have flown from what Gen. Douglas MacArthur described yesterday as bases "behind the privileged sanctuary of the adjacent Manchurian border."

Four American propeller-driven Mustang fighters sighted the Russian jets, described by a far east Air Force air summary as either the new Soviet MIG-9 or MIG-15, in the area of Yangsi, eight miles south of the Yalu River's Mouth.

Hugh Glenn, son of Mr. and Mrs. Hugh Ridout was honored on his 4th birthday with a dinner at the home of his grandparents, Mr. and Mrs. John Tindall Wednesday afternoon, November 1. Present other than the family were Mr. and Mrs. J. K. Elliott and sons and Mr. and Mrs. Sam Tindall of Cameron.

Herman Glaser of Buckholts was a visitor here recently.

Mrs. Earl Crane of Rockdale attended the funeral of her brother, Norton Fields in Houston recently. Mrs. Crane is the mother of Mrs. Presley Tindall of Cameron.

Noel Buff of Beaumont was a visitor in Cameron over the week end. Mr. Buff is with the Stone & Webster Engineering Co. in Beaumont and formerly lived in Cameron.

(From the Daily)

Moore's Southwestern Shows will open a week's engagement beginning tonight continuing through Saturday November 11.

The carnival will be located on the Boedeker Gin Lot and will arrive in Cameron sometime Monday morning and will be ready and in operation Monday night.

The show has been enlarged and newly painted and offers the best in carnival entertainment.

Mr. Moore has the reputation of being one of the best show managers in the southwest and is happy to bring his show to Cameron on a return engagement. He has been a leader in his field for a number of years.

The show is being sponsored by the D. A. V. and will consist of four different shows and lots of fun booths and nine rides. Mr. Moore's show will offer the best in entertainment in this field and sends the public a cordial invitation.

**Veteran Of Battles  
Fighting On Korean  
Battle Front**

Sgt. Frank Zavrel, son of Mr. and Mrs. V. L. Zavrel and twin brother of Louis Zavrel of Cameron serving with the Army seventh division, 31st Infantry is now in North Korea.

Sgt. Zavrel volunteered for service in the Infantry July 1942 and during World War II he saw service in the Phillipine Islands, Hawaii, Honolulu, Guam, Manila, Luzon, New Guinea, Guadalcanal, New Caladonia, Samoa and Iwo Jima. Sgt. Zavrel was wounded twice in World War II.

He received his discharge in 1946 and re-enlisted for three more years. He was sent to Phillipine Islands where he was stationed for two years and six weeks. In January 1949 Sgt. Zavrel re-enlisted for another three years and was sent to San Francisco. From there to New York and then was sent to Tokyo, September 7. He was in Tokyo approximately two weeks before being sent to Korea.

A letter was received by his parents this week that he is now serving on the war front in the battles at North Korea.

Sg. Zavrel has served eight years and four months in the service.

**LIGHT VOTE FORECAST  
IN COUNTY TUESDAY**

(From the Daily)

Voters in Milam County were due to go to the polls Tuesday November 7 in what appeared to be an atmosphere of confidence and lack of competition.

The official ballot a four column affair, carries the names of Democrats complete and a partial Republican ticket.

Since this is not a presidential election year, there are no electors on the ballot and only nominees for state offices by the two major parties. The Republicans did not name a candidate for Commissioner of Agriculture since J. E. McDonald was defeated on the Democratic ticket by John C. White of Wichita Falls.

There are no contested electors in the County or District since Republicans do not nominate candidates for these offices.

A light vote will be cast but Democrats should turn out in large numbers because in the conventions in 1952 each county may cast one vote for each 25 ballots recorded for their candidate for Governor.

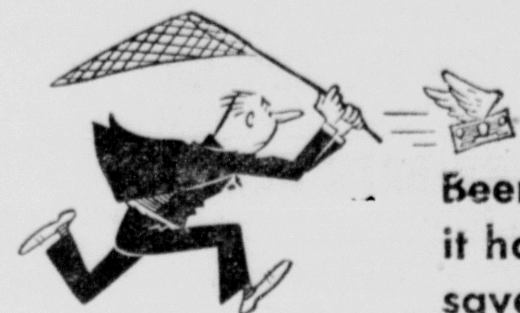

In this way small counties can make their influence felt in party affairs and since candidates for President and Vice-President are named by the convention system, the people can arm themselves politically by increasing their number of votes at the conventions.

The balloting on Tuesday is a general election and is conducted by the county. The summer primaries are for nominating purposes only. Contrary to the usual ticket, there are no proposed amendments on the November ballot.

Mrs. Claude Sweaks and daughter Linda, visited friends in Cameron one day recently after being business visitors in Rosebud. The Sweaks recently moved to Hearne from Cameron.

Mr. and Mrs. D. R. Laywell and daughters, Sharon and Linda, were in Houston over the week end to attend the funeral of his grandmother who passed away Thursday night.

Mrs. D. R. Miller returned to Lometa Sunday after spending several weeks visiting her daughter, Mrs. Alvin Hibitt and granddaughter, Mrs. George Barr and Miss Dorothy Hibitt.

## YOEMEN AFTER VICTORY AT HOMECOMING GAME

(From the Daily)

The Yoemen will clash with the Belton Tigers tonight at the Yoe High Athletic Field in their fourth conference gridiron tilt.

Coach Paul Smith said this morning that the Yoemen are in good shape and are ready for the Tigers and eager to get revenge for the defeat handed them last year by the Tigers.

The weather will be ideal for football and a large crowd is expected since this is homecoming for the Exes of Yoe High. It was understood that many are making plans to attend this annual event.

The Yoemen will use the same starting line up as in the Georgetown game, and the change in using Johns in the Backfield and Stanislaw at the end position is working nicely. The passing attack of both teams may be hindered tonight since a stiff norther is blowing but weather forecast predicted it may cease by nightfall.

The Belton Tigers stock took a nose-dive this week as three of the players on the starting line-up were suspended for the rest of the season for breaking training.

The Tigers have lost to the Ducks and Eagles too, but have defeated Rosebud by a score of 20-0.

## Soil Conservation Contest To Be Held In Taylor December 9

The fifth annual Taylor Soil Conservation and grass identification contest will be held December 9, 1950 according to J. D. Nixon, Teacher of Vocational Agriculture.

This contest is sponsored jointly each year by the Taylor chamber of commerce and the Future Farmers of America Chapter. The contest is set up by the technicians of the Taylor Soil Conservation District under the supervision of W. F. Saage.

This years event will be divided into a soil division and the grass identification division.

The grasses and other plants in this contest will be those found in Central Texas. A list of these plants will be sent to all schools. The teams must know the following information about each plant; if it is an annual or perennial, cool season or warm season, climax decreaser, climax increaser, or invader and the relative grazing value either good, fair, or poor.

Since this is the first land judging contest staged in this area; the questions will be of multiple choice type based on the samples of soil displayed. The boys will be taught something about structure, depths of soil, permeability, texture, and soil profiles.

Nixon states that he expects to have approximately twenty five teams in the contest this year.

The chamber of commerce will furnish a barbecue dinner for all participating teams and their instructors. The food will be prepared by the local Future Homemakers of American chapter under the supervision of Floy Jones.

The top four teams in the contest will be presented with suitable banners. The top team will be awarded an expense paid trip to the grass judging contests at two major shows.

The Rockdale F.F.A. Team coached by H. D. Maxwell placed first last year. Other winning teams were Granger, Elgin, and Lexington.

All entries are welcomed. Any questions about the contest should be sent to Teacher Vocational agriculture, Taylor High School, Taylor, Texas.

## Moslah Temple's Huge Shrine Circus at Fort Worth, Nov. 17-26

GLAMOROUS AND THRILLING is this year's Moslah Temple Shrine Circus, coming to Fort Worth's Will Rogers Memorial Coliseum, November 17-26. A few of the all-professional acts are pictured above. That's Captain William Buschbaum, world's outstanding esqutrian, presenting his famous educated Palominos. Next are the spectacular Ericksons, balancing and strong men extraordinary; Professor George J. Keller with America's finest animal act; two of a large troupe of glamorous circus performers and the daring and lovely Beranck sisters.

The ringmaster will crack his whip, the band will strike up a lively tune and the world's greatest indoor circus will get underway in Fort Worth on November 17 to play 16 performances through November 26.

It's the annual Moslah Temple Shrine Circus that will show at Fort Worth's Will Rogers Memorial Coliseum. This year's show will surpass all others in thrills and glamor, Moslah Potentate Mar-

vin Mabry and I. S. McConnell, general circus chairman, predict.

A sensational climax to the two-hour circus will be the Zacchini's thrilling double cannon act in which a man and a woman are shot from a big gun at the same time. Some of the stellar acts never before have been shown in America and were booked by trans-Atlantic cable.

"We think it is the best circus Moslah Temple—producer these

many years of successful shows—has ever put together," McConnell says.

# New, Easy Way to Farm

The new Eagle Hitch on the 1950 Case "VAC" tractor takes hold of the new latch-on implements and picks them up—fast and easy. Without getting off the seat you just latch on, slip in a pin, and go! You get to the field quicker, finish sooner. Work is done better because the Eagle Hitch keeps implements working at a steady depth in spite of

hard spots and uneven ground. Come in and see it! Try the new low-pressure hydraulic implement control. You'll like the way it works with both latch-on and front-mounted implements. This isn't push-button farming but it's the nearest thing to it. And you'll be amazed at the eager power wrapped up in this low-cost 2-plow tractor.

Demonstration beginning at 1:00 P. M. Friday, November 17, on Highway 77—Elm Creek on Emil Horelica Farm.
